DEVELOPMENT DEPARTMENT.

G.O. Ms. No. 3816. Dated the 19th July 1948.

Read:-

From the Director of Agriculture, No. V3/938/48 dated 17.6.1948.

Order:-

According to the entry in the Service Book, Sri. Adari Surayya, Demonstration Maistry in the Agricultural Department completed 55 years of age on 1.7.1945. He should therefore have been retired from service under article 459 of the Civil Services Regulation with effect from 1.7.1945. This was not done by the District Agricultural Officer, Anakapalle or by the District Agricultural Officer, North Vizagapatam as it escaped their notice. The mistake was however noticed later and he was retired from service on 1.3.1948. The Director of Agriculture has recommended to Government that the retention of the maistry in service beyond 1.7.1945 may be ratified and that he may be deemed to have been granted extension of service from 1.7.1945 to 1.3.1948. The Government do not accept the recommendation of the Director of Agriculture to grant extension of service to the Demonstration Maistry but consider that he should be retired from service on the date he attained 55 years of age. They direct that the period of his service beyond the date of his superannuation be treated as re-employment after retirement.

2. The Director of Agriculture is requested to issue instructions to all subordinate officers to check service registers regularly and also to have a statement prepared at the beginning of every year of Government servants due to retire and see that the statement is watched.

(By Order of His Excellency the Governor).

Deputy Secretary to Government.
